RIHIMA 2016 Annual Meeting Program Agenda
Friday, May 6th, 2016
Radisson Airport Hotel
2081 Post Road, Warwick, Rhode Island

8:00 am – 9:00 am **Registration: Continental Breakfast and Vendor Hour**

9:00 am - 9:45 am **Inspire Big Thinking to Launch Our Future – AHIMA’s 2016 Report to the CSA’s** Tim J. Keough, MPA, RHIA, FAHIMA
AHIMA Board of Directors

Please join your representative of the AHIMA Board of Directors for an interactive session which explores the current state of the HIM profession, the Board’s vision for the future, and an update on AHIMA’s strategic plan. The session will also spotlight new ways that AHIMA is working to add value to your membership and make you more successful in your career.

9:45 am - 10:30 am **Cybersecurity Focus: Practices for Any Organization**
John H. Rogers, CISSP
Advisory Services Practice Manager, Sage Data Security, LLC

Topics covered will include: threat update, technical defenses, organizational defenses, and social engineering attacks and defenses.

10:30 am - 10:45 am **Break**

10:45 am - 11:30 am **ICD-10 Coding Clinic Update**
Barry Libman, MS, RHIA, CDIP, CCS, CCS-P, CIC
President, Barry Libman Inc.

This session will offer an in-depth presentation of selected coding advice and clarifications from recent issues of Coding Clinic for ICD-10-CM and ICD-10-PCS. Here’s your chance to be sure you are up-to-date and fully understand how these coding rules affect your facility.

11:30 am-12:15 pm **From Rock Bottom to Healthcare**
Michael G. Cooley, Executive Director, Nalari Health
Author, “Rock Bottom – From The Streets To Success”

Based on the inspirational story that even though I had relative success in healthcare and financial services, it was not until I exercised the demons of my past that I achieved real success and a purpose.

RIHIMA 2015 Annual Meeting Program Agenda - continued

Friday, May 6th, 2016

12:15 pm - 1:15 pm **Lunch and RIHIMA Business Meeting**

1:15 pm - 2:15 pm **Vendor Hour**

2:15 pm - 3:00 pm **Information Governance**
Tim Keough, MPA, RHIA, FAHIMA
Director, AHIMA

Information Governance plays a key role in the future of HIM. AHIMA has taken the lead in Information Governance for healthcare and has developed the Information Governance Principles for Healthcare (IGPHC) – a comprehensive set of IG principles for all types of healthcare organizations. This presentation will provide a general overview of information governance and the fundamentals of the (IGPHC).

3:00 pm - 3:15 pm **Break**

3:15 pm – 4:00 pm **The Current Status and Eventual Future of Meaningful Use**
Jennifer Cox, JD
Cox & Osowiecki, LLC

An outline of the 2015-2016 modified stage 2 rules for EP's (Eligible Provider under the Meaningful Use Program), and EH's (Eligible Hospital under the Meaningful Use Program), and discussion of whether Stage 3 will actually happen and if not, what might replace it.

4:00pm - 4:45pm **Considering Cancer Registration as an Alternative Career Path**
David L. Rousseau, Director, Cancer Information Systems
Hospital Association of Rhode Island

Topics to be discussed: Rhode Island Cancer Registry background, what does a cancer registrar do, evolution of cancer data collection, types of cancer registries, education, training, certification and the Rhode Island Cancer internship program.

8 CEU's awarded for attendance.

Please feel free to share and distribute agenda and registration form to colleagues who may be interested in attending. We look forward to seeing you!
